

mlx\_resize\_image

```
graph LR; A[mlx_resize_image] --> B[mlx_error]; B --> C[mlx_strerror];
```

A flowchart illustrating a sequence of three components. The first component, 'mlx\_resize\_image', is enclosed in a gray rectangular box. A blue arrow points from this box to the second component, 'mlx\_error', which is in a white rectangular box with a black border. Another blue arrow points from the second box to the third component, 'mlx\_strerror', also in a white rectangular box with a black border. The components are arranged horizontally from left to right.
